122nd Annual Convention

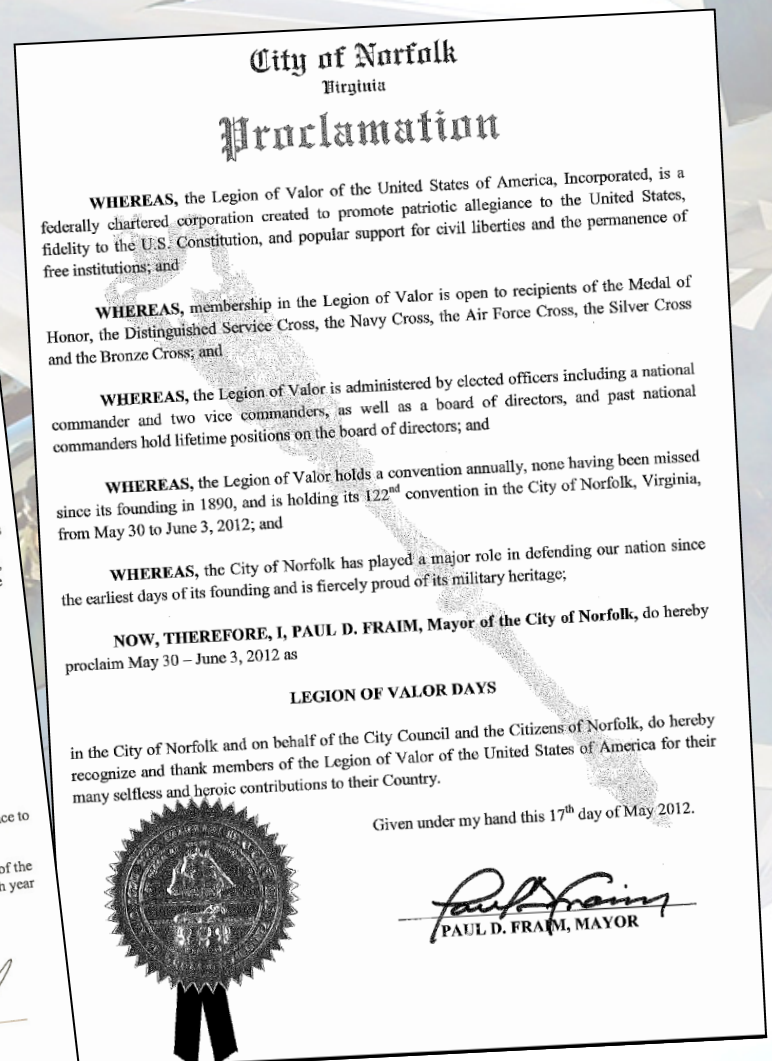

Norfolk, Virginia May 30—Jun 3, 2012

Welcome to Norfolk and the Legion's 122nd Annual Convention

Greetings Legion of Valor award recipients, honorary and associate members, family members and friends of the Legion of Valor. Joanne and I look are pleased that you are attending the convention and celebrating our unique heritage. The Norfolk area is home to many military installations and active duty units. We have planned an exciting and enjoyable convention with many opportunities for fellowship and camaraderie. The Waterside Marriott provides a friendly home environment and is ideally located for our enjoyment. There are many activities and excellent shopping within walking distance. Three highlights you won't want to miss include the Commander's Reception on the Marriott rooftop on Thursday, the dinner cruise on the Spirit of Norfolk on Friday, and the VIP Reception and Banquet on Saturday. Tours of Joint Base Langley-Eustis and Naval Station Norfolk will give you a chance to "touch the hardware" and talk with activity duty members of our Armed Forces. A special treat will be an F-22 flight demo by the 1st Fighter Wing. This year, we are honoring the Virginia Wounded Warrior Project and I encourage you to greet our special guests and make them feel at home. Joanne and I look forward to greeting you at the various convention events.

We wish you smooth flying,
Donald L Marx, National Commander 2011-2012

There will be commemorative Legion of Valor Wine Glasses at the Banquet tables. Don't forget to take your gift with you when you leave. A small number of additional wine glasses will be available for sale on Sunday morning.

Invited members of the active-duty Armed Forces will join us at the Commander's Reception, Spirit of Norfolk dinner cruise, and the VIP Reception and Banquet. This is a great opportunity to get to know some of those who are serving our country today.
